

Imagine

Immeasurably More Eph. 3:20

Imagine Immeasurably More is a capital campaign inspired by *Ephesians 3:20-21*. It will fund an addition to the SFLS Upper School, expanding middle and high school capacity to at least two classrooms per grade, while also opening up capacity in the elementary wing for dual classes of 1st through 5th grade students. Moreover, it will enable donor-funded “Capstone” projects to complete needed athletic and music facilities for our ever increasing student body. Working through you, according to His power, God has richly blessed our progress thus far. This campaign represents the next, most significant expansion of this Gospel mission since our new school was built in 2018-'20. **We are so thankful** for your support. We value your partnership with us, to **imagine, immeasurably more!** *World Ready, Faith Secure.*
